

## SPEAKER SPOTLIGHT

**John (Hank) Roser**

Privacy Engineer

Consumer Financial Protection Bureau

Consumer Financial  
Protection Bureau

**PRIVACY-ENHANCING  
TECHNOLOGY  
SUMMIT NORTH AMERICA**

**John will be presenting a use case on the topic of:  
“Government & Non-Profit”**

### WHY DID YOU CHOOSE TO SPEAK AT THIS EVENT?

- It’s an honor to speak at an event that drives innovative thinking around the privacy industry. Merging topical discussions such as PETS with artificial intelligence advancements, hearing from use cases and proven applications of these technologies, and meeting new colleagues in the field is an invaluable part of my professional development.

### WHAT YOU ARE MOST LOOKING FORWARD TO AT THE SUMMIT?

- Hearing the latest advancements and successes within the industry that I hope to align with my own agency goals.
