

## PATRICK LAW

System Architect | APPLE Inc.

## AI HARDWARE & EDGE AI SUMMIT

SEPTEMBER 2023 | SANTA CLARA, CA

“ We are at the cusp of a new revolution enabled by AI/ML...”

### WHAT WERE YOUR MAIN OBJECTIVES BEHIND ATTENDING? WERE THEY MET?

My main objective is to get a read on the current state-of-the-art AI/ML technologies. Having the opportunity to attend the keynotes as well as meeting various vendors in the exhibits, I was able to achieve that goal.

### WERE YOU ABLE TO CONNECT WITH LIKEMINDED COLLEAGUES AND NEW INDUSTRIES?

Yes. There were a lot of interactive discussions as well as follow-ups and connections (e.g. via LinkedIn) after the summit.

### WHAT WAS YOUR KEY TAKEAWAY FROM THE EVENT?

We are at the cusp of a new revolution enabled by AI/ML. It will make smartphones or the internet feel small in comparison.
