AI HARDWARE & EDGE AI SUMMIT

SEPTEMBER 2023 | SANTA CLARA, CA

WHAT WAS THE MOST SIGNIFICANT INSIGHT OR TAKEAWAY FROM THE EVENT?

The event reinforced my belief that the growth of Gen AI is inevitable and that it will have far-reaching implications for many industries. The key takeaway was the importance of adequate computing resources to support the development of Gen AI, which presents a significant opportunity for growth in the industry.

DID YOU SUCCESSFULLY NETWORK WITH INDIVIDUALS WHO SHARE YOUR INTERESTS, AS WELL AS THOSE FROM DIVERSE INDUSTRIES?

I am pleased to report that I was able to establish meaningful connections with several like-minded colleagues, as well as individuals from a variety of industries. These interactions provided valuable insights into the application of AIML across various domains.

WHAT MOTIVATED YOU TO ATTEND THE CONFERENCE, AND WERE YOUR EXPECTATIONS FULFILLED?

My primary motivation for attending this conference was to engage with industry experts in the field of artificial intelligence and machine learning (AIML) and stay abreast of current developments. I can confidently say that my expectations were fully met, as I was able to attend informative talks and connect with fellow professionals in the industry.
